

Burger Patty

Made with: Vegit Cheese Balls Mix

Ingredients

- 1 packet Vegit Burger Patty Mix Pack.
- 305 ml water.
- Oil for deep frying

Method of Preparation

- Empty the contents of the Burger Patty Mix pack. Add 245 ml warm water to the above and knead well.
- Leave the dough aside for 5 minutes. Make small ball from the dough and flatten them into patties using mould provided with the pack.
- Add 60 ml normal water to the batter mix and stir well. Dip the patties in the liquid batter mix.
- Roll the dipped patties in the bread crumbs provided with the pack.
- Now deep fry the patties in hot oil and serve hot with Burger, tomato sauce or mayonnaise.
